News since our last newsletter.....

A big thank you to everyone who helped or came out to support our Annual BBQ Fundraiser in February! You made it a big success and helped the fire department earn money for various needs in the department!!

This year we have voted in new Fire Fighters, purchased new equipment for the trucks, made culvert improvements to Station 2, and are working to make changes to our communications system so that we are prepared for a natural disaster

Junior Fire Fighter News

We have recruited a few new members but we still need more! We are looking for youth between the ages of 14 thru 17 years old to participate in our Junior Fire Fighter program! It's a great way to learn about fire prevention, fire safety, and how to fight fires! Meet new people and give back to your community! If you are interested please contact Magean Pretre @ (903)366-1084.

Coming up in 2017:
